# The One-Stop Shop for Packaging, Printing, and Converting Professionals in Southern India

At the 14th edition of PackPlus South in Bangalore, you'll experience the latest innovations and developments in the packaging industry. See the future of packaging first-hand and connect with global businesses and network with potential partners.

## The Commercial Printing, Package Converting & Digital Sign Show

The Packaging Industry in India is expected to register a CAGR of approximately 26.7% during the period (2021-2026). The demand for packaging is growing due to the rising population, increasing income levels, changing lifestyles, increased media penetration through the internet, television, and growing economy. Moreover, it is one of the strongest growing sectors in the country.

The rapid growth of the market is primarily driven by the pharmaceuticals and foods and beverages industries.

## PackPlus South 2023 RECAP

PackPlus South concluded in 2023 on a high note with satisfied exhibitors and visitors. The show recorded a remarkable success with 120 exhibitors and 6500 attendees, proving it to be South India's leading packaging, converting and printing technology event. In addition, 85% exhibitor were satisfied participating at the event and 80% visitors were satisfied attending the event.
